

CITY DEVELOPMENT BOARD MEETING

Board Meeting. The City Development Board met on July 12, 2017. The Board took the following actions:

- Approved voluntary annexation for the following cities: Norwalk, Waukee (two requests), Ankeny, and Grimes (three requests).
- Denied a request to dismiss an Ames annexation request that included involuntary parcels. A public hearing was held after the denial of the request to dismiss. After the hearing, the hearing was closed and the Board deferred action until the August meeting.

The City Development Board is appointed by the Governor and acts on petitions for municipal boundary changes, including annexation (addition of territory to a city), severance (deletion of territory from a city), consolidation (combining of two or more cities into one city), discontinuance (termination of a city), and incorporation (establishment of a new city). The Board functions as an impartial third party responsible for placing an objective influence on the boundary change process.
